Plots

On Star Army, an ongoing roleplay storyline and/or its roleplaying group is usually referred to as a plot. This is a list of roleplaying plots on Star Army, (excluding some Open RP threads, which are not required to have a plot wiki page).

Plots typically have someone who manages them, which is the plot's Game Master (GM). More information about RP on Star Army is available on the Roleplaying Guide.

Currently Active Plots

This section lists all plot pages that are currently happening. Plots that are currently accepting players are listed first. Pages must be in the plot: namespace on the wiki and flagged as active (in struct) on their plot pages to appear.
