## Personality

He is very playful, warm-hearted, and mostly happy when he is hanging out with his friends and teammates. He is kind and friendly to most people he encounters. However, when he is in combat, he is cold and callous to every enemy that gets in his way. He shows no sympathy or mercy to anyone that threatens or endangers his fellow comrades. In an operation by himself, he is normally apathetic to the plight of those he fights. Still, he is playful and caring towards his teammates all the time. He wants to make the world a better place for his sister, and he does this the only way he knows how; death. He is normally quite lazy, but if something important needs to be done will do it nonetheless. He is not easily angered and he is normally cautious with decisions he makes. He likes everybody, at least everybody on his side of the battlefield. He does favor people with a happy and carefree attitude.

## History

He grabbed a gun and with a blank empty face, he killed 13 raiders by himself without hesitation. After the battle, he and his sister decided to move to Dovia for a better life.
