## Character Description

### Physical Description

Height: 6' 2" Weight: 235 lbs

**Build and Skin Color:** Gunther has typical Caucasian skin color, his has a solid build that he owes to his lineage. His barrel chest makes his muscular chest seem even more intimidating.

**Eyes and Facial Features:** Gunther has typical Nepleslian eyes, that are hazel. He has a very strong jaw line and thin lips.

**Hair Color and Style:** Gunther has raven black hair that he keeps cut to in a flat top. He also has a crisp beard but no mustache.

**Distinguishing Features:** Gunther has a star shaped scar on his right cheek, left over from an incident in his younger days.

## History and Relationship Notes

Gunther was born in [YE 02](#), he grew up in a small nuclear family, with his parents and younger sister. The family traveled a lot until they settled on Yamatai in [YE 14](#). His early formative years, gave him a sense of wanderlust and curiosity. It was probably inevitable that he would become a scientist. He married in [YE 28](#) and has a five year old daughter.
