### Pre-RP

Gidget's career started off as a basic Power armor infantry, first using a Harpy, but soon graduating to the tougher Daisy armor. ## Skills

Like all Nekovalkyrja, Gidget knows how to use a power armor, and is skilled in combat both hand-to-hand and with weapons of various types and sizes. Gidget is very experienced, having participated in a large number of engagements, and is very effective on the battlefield. Gidget is also skilled in communications above and beyond the standard for Infantry, and can command and coordinate troops quite effectively. Outside of combat, Gidget is skilled in entertainment; she has a great singing voice and can dance very well.
