# History

## Family (or Creators)

Father: Corin Rivel Mother: Theresa Rivel

## Pre-RP

Althea was born around YE 13 on the planet Nepleslia. Her childhood was fairly uneventful as her parents tried to raise her the right way, away from all the violence and terror that is Nepleslia. However, during her independent-seeking years of 16, she ran away from home and sneaked aboard a transport to the planet Rok'Veru. Shortly after she turned 17, she began stripping under the false name “Amber” at a local nightclub, which also often offered its girls to 'escort' lonely men to their rooms at a nearby hotel. This usually ended with the girls getting a decent tip, of which the nightclub claimed approximately 65%. Recently, however, the threat of Mishhu attack has really killed the business as every flees the planet.
