Izzy is very hard to distract once she gets started on something, though she is very hyper. She tries to be kind to everyone though she can get quite annoying. She is VERY irritating when she gets drunk. She is a major optimist.

Izzy likes to work but when someone can pull her away she also loves to have fun and laugh. She does like to drink so if someone offers her alcohol she will take them up on it.

History

Isabelle Pine was born in YE 18.

Izzy's mother was an archivist, and her father was an engineer. She had a pretty normal childhood but decided to become an engineer for the Nepleslian military once she got older. She met Jack there and soon their friendships evolved into a crush on her side. She heard that he joined the Skyguard and decided to follow.

Isabelle eventually married [Jack Pine](#) in YE 39 and has been happy with him since. Their daughter [Neera](#) was given an anthro body and adopted in the same year. In YE 40, Jack adopted [Adilis](#) and [Adria](#). In mid YE 40, Izzy gave birth to twins, Jack Pine II and Rose Pine. In late YE 40, Hades attacked. Their son Adilis was kidnapped, but was rescued, now a daughter as a result of what Hades did. Section 6 also broke away from the [OSO](#) around this time. In YE 41, Isabelle built [Nyx](#) and adopted her as their daughter.
