Character Description

Leon stands at 5'6" with a light pinkish skin tone and light blue hair. He has blue eyes. He has a slender figure though a certain athleticism to his wiry limbs, most notably his lower body. Leon partakes in a small bit of recreational drug use to help liven up an otherwise rather tame existence, in between making food and drinks he can sometimes be found quickly taking a small dose of something to brighten things up - though he knows his own limits.

The Blue-haired Minkan is quite the sociable person, seemingly able to strike up a conversation with most people that come his way as well as showing a certain level of showmanship with his bartending and culinary craft.

History & Relationships

Leon was born in YE 18 and turned 21 in YE 39, he served for three years in the Star Army of Yamatai as a Star Army Cook before leaving to pursue other pursuits, finding his way to Section 6 as a Bartender.
