Arthur Toracinta	
	
Species & Gender:	Nepleslian Male
Organization:	Nepleslian Star Navy
Rank:	Rear Admiral
Current Placement:	NSS Vigilance in Remembrance Division

Physical Description

A tall, dark-skinned and broad shouldered man tells of some early ID-SOL descent, but on the whole looks like a proud Nepleslian. The gut extending from his lower torso would boast a fat and slow man, but in fact, there is a layer of hardened muscle that has been grown and refined over many many years of hard work. He's bald, with a black goateee, and a cybernetic left eye.

Personality

Stern but fair, Arthur is a man about correct results done in a timely manner (not necessarily rushed).

He's often given some of the more unruly Privates as they normally come out off of his ship more refined persons than when they had enlisted. He earns the respect of his crew because he knows he has to give it first. Loud and cheerful among friends and colleagues, quick and decisive in combat, reserved and cautious in planning, Arthur is one that has had his mettle tested time and time again.
