eyes and some cybernetic enhancements to improve his sight when shooting on distance. Due to his weight, he is rather flexible and can be a dangerous close combat fighter if he needs to be. While not shown, he is quite a well body and has some muscles. He has a cut in his left lower eye, close to his nose that happened when he forgot to place his rifle the right way and the visor hit his eye.

## Personality

A bragger, stubborn, but very loyal and follows orders without questioning them. Bruce can be compared with a gambler attitude, always in for a bet and doesn't say no to a good old challenge. He is rather protective over his brothers and sisters in the marine corp but doesn't mind to be a stubborn one either. Bruce is one of its kind, loyal to the bone and stands ready for his friends and family at any given time.

## History

**Pre-Roleplay** Born on [YE 20](#) at [Planet Nepleslia](#) as Bruce grew up mostly away from the faction wars and lived in the towers without much fuss. He went to Nepleslia State University to get a degree and joined finally the Marine Corps to serve his people even better. He got good in fighting with a sniper rifle and got himself quite some gambles that caused him some problems, but he managed to solve them. Due to this talent, he was noticed by the [Intelligence and Pacification Group](#) and they trained him to become a Hellions, when the duty comes he would be pulled into action without any questions asked. He returned to continue his career with the Marines.

After becoming a Marine, he was assigned to various locations. He was part of [NSMC 309th Armored Infantry "Ruthless Riders"](#) as a young recruit to give a chance at [New Bernese](#). Bruce got most of his ranking and kills at this position, with the ongoing operations against the Red Rebellion. In [YE 42](#) he got reassigned to the NSN Galgus as their sniper when the Hellions got called upon service. After the brief deployment at Galgus per service requirement of IPG, he was transferred to NSS Wrath of Nepleslia.
