## Dylan Llewellyn in Roleplay

Dylan Llewellyn is a [player character](#) played by [Cy83r K0rp53](#) and is currently involved in the [????](#) plot.

## Physical Characteristics

Height: 5'7 Mass: 145 lb Measurements: Bra Size:

**Build and Skin Color:** Fit and well-toned. Wiry frame belies strength. Well-tanned skin showing signs of fading.

**Facial Features and Eye Color:** Green, slightly brown eyes are bright and attentive. Years spent in the ranks show the wear of age and experience on an otherwise lively and vibrant face, full of a youthful charge.

**Hair Color and Style:** Jet black Hair. Bushy eyebrows, slightly grayed. Salt-and-pepper hair, completely grayed at the sides, worn short but not as short as the buzz cuts enlisted personnel come in with.

**Distinguishing Features:** Small scar across right cheek from old shrapnel wound.

## Psychological Characteristics

**Personality:** Dylan Llewellyn is an assertive and sociable person. Having worked his way from enlisted status all the way to his recent promotion to Rear Admiral, he possesses a fiery and youthful spirit for his age. 'Captain Llewellyn' is infamous for coordinating prank wars on his ship that often develop into full-blown combat exercises, surprisingly maintaining high levels of morale and discipline when on duty.

Despite his casual and playful attitude, Dylan is always in uniform, even during shore leave, and is rumored to sleep and shower in it. A professional demeanor pervades his dealings on serious matters, combined with a good sense for people, deflects most complaints that would be made against him for unprofessional conduct. In battle Dylan has proven himself an intelligent and adaptable commander capable of holding his command despite his seeming faults. He enjoys playing tactical and strategic games and using simulators to hone his and his officers' minds for combat.

**Likes:** Pranks, Strategy Games, Tactical Simulators, and his Navy Uniform **Dislikes:** Officers who take themselves too seriously **Goals:** Honor his brother Valentine's death through service to Nepleslia, protect his crew and subordinates

## History

### Family

Father: Austin Llewellyn (Alive, aged 65, living on Yamatai) Mother: Helen Llewellyn (Alive, aged 63, living on Yamatai) Brother: Folant/Valentine Llewellyn (KIA, Kennewes Offensive, YE29) Sister: Catrina Akiyama (alive, aged 33, married, living on Yamatai, 3 children) Nephew: Haruki Akiyama (alive, aged 15, living on Yamatai with mother, Catrina) Niece: Airi Akiyama (alive, aged 9, living on Yamatai with mother, Catrina) Niece: Mao Akiyama (alive, aged 3, living on Yamatai with mother, Catrina)

### Pre-RP

Born and raised on Yamatai, Dylan always looked up to his older brother, Folant, much to his brother's constant dismay. When Folant changed his name to Valentine and joined the Star Army, recently after the Yamatai Star Empire formed in YE01, Dylan was dismayed, not being old enough to enlist. Four years passed and Dylan signed up for the navy, doing his best to catch up to Valentine, who had been assigned to a taskforce based in Nepleslia.

Trying to find his big brother while stuck on a ship proved to be aggravating for Dylan, who endeavored to get himself promoted to an officer as quickly as possible; climbing the ranks as fast as he could to impress his family and, more importantly, Valentine. As luck would have it, the young sailor literally ran into Valentine during shore leave. Spending their few days catching up and trading stories; Valentine had become a fighter jockey and now commanded his own wing, while Dylan had gained command of his first ship, one of new Sakura-Class Gunships. The two were quickly drawn back to their duties at the start of the Battle of Neplesia in YE26.

Ship life became much easier for Dylan since he now had the ability to communicate with Valentine; both of them deciding to follow Nepleslia in its separation with Yamatai beginning in YE28, having found kindred spirits in the Nepleslians. Their parents disapproved of abandoning the Empire and Dylan stopped sending messages to them, but remained in contact with his now-married sister, Catrina. Dylan's idyllic world of brotherhood and comradery was shattered the next year when Valentine became a fatality during the start of the Kennewes Offensive in YE29.

Attending the funeral service for those lost during the Offensive, Dylan resumed contact with his parents, who were overjoyed, despite their grief, at their sons' accomplishments. Dylan spent his time available between missions spoiling his nieces and nephew, like Valentine had loved to do, when Catrina visited, doing his best to remove the distance he had imposed on his family by running away from his heritage.

## Skills

### Communication

Dylan Llewellyn is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, ships, ground vehicles, power armor, and shuttles in both combat and non-combat conditions. Dylan is fluent in Nepleslian. He can speak and write it correctly and efficiently and can write reports, fill forms, issue orders under fire, etc. He is skilled in field communications and is proficient in all rudimentary forms of communication (hand signals, flashing lights, etc).

### Fighting and Physical

Dylan has received intensive hand-to-hand combat training (primarily focused on disabling and/or killing opponents) and has followed up that knowledge with a rigorous training program. Weapons he is trained in include pistols of all types, knives, grenades (and other forms of explosive weaponry) and rifles of all kinds. Dylan is in excellent physical shape and has considerable endurance. The character is also able to pilot land-based power armors, but must rely on the suit's A.I. to do anything advanced. Having spent several decades in space, Dylan is adept at operating in zero-gravity; he frequently operates his vessel with internal gravity set to zero.

### Leadership

Dylan possesses leadership learned through years of personal experience. He can effectively command troops in a life and death situation, instilling loyalty and trust in them. He possesses tremendous persuasive ability and never cracks under pressure. He is an effective strategist, and is able to recognize ambush points, create effective combat strategies and tactics, and analyze intelligence information. He can command both ground and space forces.

### Strategy (Tactics/discipline)

Dylan can understand and give out tactical commands and work with his crew to follow those commands efficiently and effectively. He knows the importance of teamwork on the battlefield, has been intensively trained in discipline and morale, and is able to recognize the command structure even while under extreme pressure (combat, etc).

## Starship Operations (Command)

Having worked his way up to his current position as Rear Admiral, Dylan Llewellyn is familiar with, if not versed in, almost all aspects of the operation of a starship. Dylan is also has experience in working as part of a squadron and larger task forces from his time as captain.

## Mathematics

Dylan is well-trained in calculating trajectories, velocities, and intercept courses quickly and accurately while under pressure, having received training in basic and advanced mathematics, up to and including algebra, trigonometry, and rudimentary physics.

## Starship Operations (Gunnery)

Dylan spent most of his time working with and eventually operating starship weapons systems and is versed in the specifications of several starship classes and their armament.
