Louis has a chiseled jaw, high cheekbones with light scarring across his lip and face. His right arm at the shoulder, as well as his left leg at the hip are both cybernetics. Due to a failed disposal of ordinance, he lost his arm and most of his shoulder. His leg was severed in a gang fight in his hometown of Roger Wilco as an attempt to interrogate him for information.

Personality

Louis is and has always been a natural-born fighter. Easy-going and adaptable, he will find a way to get the job done even if it means taking a building down or possibly a whole city block. He loves nothing more than listen to music, have a smoke and tinker with household items to make explosives. Fairly quiet, he will keep to himself, though his team or fellow soldiers tend to tell him he is overly meticulous. Almost obsessively checking his items, and inventory. A trait from being a former Ganger and experiencing a lot of theft. Usually positive, he tries to have a good outlook on life, simply because of how short it can be. Taking time to enjoy little things, like a song, or making someone smile. Contrary to Nepleslian stereotypes. He has not really used many stimulants(despite what can be found in Neppys burgers.)

History

Louis Fekete was born in YE:20.

Coming from a family of soldiers and sailors Louis' father was an ID-SOL and his mother of Yamataian decent. Growing up in Roger Wilco City there was always trouble to get into.
