## Physical Description

**Build & Skin Colour:** muscular,thick, tan skin **Facial Features & Eye Colour:** Wide brown eyes, full lips, **Hair Colour & Style:** Long Curly black hair Height: 5'4" Mass: 130 lbs

**Distinguishing Features:** None

**Description:** The best word to describe Lucia's appearance would be "Comely" She is pretty, but not enough to be considered drop dead gorgeous. She stands five feet four inches tall and weighs one hundred and thirty pounds, giving her a rather solid and curvy figure. She is dark complected, but with her military back ground she rarely has the chance to accentuate her beauty, so more often then not her peers would be rather plain looking.

## Personality

Lucia is energetic, aggressive and down right vicious. She does retain a feminine quality in her styles, and does have bouts of kindness in her. But in the throes of battle she is a soldier who will do what ever it takes to survive. As a contrast Lucia is also very volatile and prone to enter a berserk like state in bouts of rage due to her relativity short temper. She has a very self destructive personality, and has a very "Live for today attitude" allowing her to act on impulse with little fear for her life.

**Likes**

Lucia enjoys clothing, candles, books, and wealth. Her rather affluent upbringing has afforded her with a taste for the finer things in life, so when it comes to Literature and the over all surroundings she tends to lean towards the decadent side of life.

**Dislikes**

The Mishuu, unwanted sexual advances, military life. While a Nepeleslian Marine she is merely doing her part in the war, and outside of that she cares little for the military life she has inflicted on her self. Due to the fact of her being female the fact that thirty percent of all Nepeleslians are female she naturally gets annoyed by unwanted sexual advances if they occur.

## History

Lucia was born in Funky City to her two rather loving parents. They lived rather lavish and wealthy life with her being kept in seclusion from the mostly male population. Lucia then received the best education possible and attempted to continue this education until the Mishuu invaded the Nepeleslian Star Empire. Lucia soon heard of the Mishuu invasion of her nation and wasted no time in volunteering to defend against it. After finishing boot camp Lucia has returned to her home city to visit her family. While on leave in Funky City Lucia can be found prowling the back streets as she nurses her growing addiction to various drugs. She will do what ever she has to do to obtain them, regardless of cost. This addiction has been kept secret from her superiors as of late, and is a fact she aims to keep hidden from all who see her. Lucia is mildly dis interested in the affairs of the world at large, and seeks mostly to further her own ambitions.

# Skills

## Fighting

Lucia received intensive hand-to-hand combat training (primarily focused on disabling opponents) and has followed up that knowledge with a rigorous training program. Weapons she is trained to use pistols of all types, knives, grenades (and other forms of explosive weaponry) and rifles of all kinds. She is in excellent physical shape and has considerable endurance.

## Communication

Lucia is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Lucia is fluent in Yamataian and Nepelesian.

## Technology Operation

Lucia is capable of operating any computer system in use by the Star Army of Nepeleslia. She is proficient in entering and/or searching for information. Lucia is also trained to Operate power armor used by DION if needed, and is capable of doing simple repairs to basic equipment.

## Leadership

Lucia is a good orator, and is able to word her ideas and opinions well. Lucia is rather witty and well spoken when necessary, she can also change her method of speaking to fit what ever crowd she is around and there for can appear much more likable.

## First Aid

Lucia is educated on how to administer basic first aid to her self and fallen comrades. This means she can administer CPR, as well as stitch and clean various wounds. She can also reset fractures as well as other first aid techniques.

## Chemistry

Lucia has basic knowledge pertaining to chemistry. This is mainly due to her addiction to drugs, and various classes she attended while in school. Lucia can use various chemicals and combine them to make things ranging from drugs, to improvised explosives.

## Demolitions
