Ulla Kilie in Roleplay

Ulla Kilie is a player character

played by Dani and is currently involved

in the NSS Arcadia roleplay plot.

Physical Characteristics

Height: 6'0 Mass: ~160lb Measurements: 36A-25-38 **Build and Skin Color:** Ulla has a muscular, “unfeminine”

build with broad shoulders and thick limbs. Her skin is

lightly tanned.

Eyes and Facial Features: Her eyes are dark brown and

slightly sunken, her face is soft with little of her bone

structure showing but the expression she wears is hard.

Hair Colour and Style: Blonde and shaved down to 3mm on a

weekly basis.

Distinguishing Features: Ulla is heavily tattooed: she

has the flag of the Democratic Imperium of Nepleslia on her

right shoulder; a cluster of seven stars, two red and five

black each symbolising a dead/missing friend or family

member, on her left wrist; a mobius design around her right

bicep; a cigar smoking skull in an SMDION Marine Corp beret

on her left shoulder which is blowing smoke from its nose

that coalesces into an abstract pattern which goes on to

midway along the bicep; the aethersperm insignia on the back

of her neck and a hand giving the finger on her lower back.

She also has bionic replacements for half her lower jaw and

the middle & index fingers of her right hand.

Psychological Characteristics

Personality: Ulla is short tempered, crude and slightly

dull witted but also loyal, trustworthy and brave. She

strives to be the “perfect soldier”, willing and able to do what is asked of her for the army; partially because the qualities of the perfect soldier are something she finds personally admirable and partially because she fears failing at her chosen vocation and returning to her distinctly unfulfilling life. Similarly she will go to the wall for those she considers friends because this is something she expects of others and because it is something she is terrified no one will do for her.

Likes: Fighting, drinking, smoking, loud music, general sociability and rowdiness. **Dislikes:** Prudishness, losing (fights, games, anything at all), laziness, disloyal/unpatriotic attitudes and cowardice. **Goals:** currently only wishes for adventure, money and perhaps a senior rank.

History

Family (or Creators)

Mother: Kell “Mama” Kilie (Missing, presumed dead).

Father: Mark Kilie (43). Currently a Syndicate enforcer.

Brother: Jakob Kilie (27). Works with father.

Brother: Dave Kilie. (Dead - accidentally overdosed at age 17)

Brother: Rick Kilie (19). Currently undergoing training for Engineer corps.

Pre-RP

Ulla was born amongst the poor and desperate of Nepleslian society in the slums around Funky City. Her childhood was one of struggle and bleakness and set her up for her adolescence as a criminal. She spent most of her teenage years in the family businesses of petty crime at the behest of larger groups (such as the red and black syndicates). When she grew up little improved for her, she had few prospects but the street and few skills but violence. It was because of this that she enlisted with the marine corps, a decision she feels has improved her life no end despite shattering her jaw and losing two fingers as a consequence of her training. She is now engaged in her first tour of active duty.

Skills

Communication

Like all members of the SMDION Ulla is capable of basic signalling and radio operation as wells as being fluent in Nepleslian spoken and written. While she is trained to a satisfactory standard she is has no outstanding communication abilities.

Fighting & Physical

Her training regime served to augment her already

respectable hand-to-hand fighting talent as well as teach her how to use pistols of all types, knives, grenades (and other forms of explosive weaponry) and rifles of all kinds. She is especially skilled with rifles, achieving remarkable levels of marksmanship.
Also thanks to her training she is in excellent physical shape and has considerable endurance. She is also able to pilot land-based power armours, but must rely on the suit's A.I. to do anything advanced.

Survival

In addition to her training which allows her knowledge on how to survive in hostile environments; the ability to build shelters; hunt and forage for food; build a fire; camouflage herself effectively and a familiarity with guerilla warfare tactics Ulla also has a natural instinct for survival in urban environs.

Strategy (Tactics/discipline)

She can understand and give out tactical commands and work with her troop to follow those commands efficiently. She knows the importance of teamwork on the battlefield, has been intensively trained in discipline and morale and is able to recognize the command structure even while under extreme pressure (combat, etc). She is able to recognize ambush points. She knows basic maths in order to calculate

distances, etc, and can use a tactical map.

Demolitions

Thanks to additional training within the SMDION Sulla can identify, manufacture, handle and dispose of most explosives. With the proper tools, she can detect and disarm enemy explosives as well.

Rogue

Growing up as she did Ulla has a good instinct for shady business. She knows how to spot the best person from whom to acquire drugs, open all but the most secure of locks, circumvent basic electronic security systems, become almost invisible in crowds, walk softly enough as not to be heard, run a few basic cons and lift hand-portable objects from unsuspecting marks.

Entertainment

Ulla can play the bass guitar with enthusiasm and a modicum of skill; sing without causing people to cover their ears; tell a good, if somewhat ribald, story or joke if the mood strikes her; produce and drinks some truly brain damaging, breath taking cocktails; and has certainly seen diagrams of what good sexual technique is.
