Hair Color and Style: Her hair is kept mostly straight, with it curling around as it splays against her shoulders and collar.

Distinguishing Features: She bears the standard [Ketsurui Zaibatsu](#) manufacturer's tattoo and has cross-shaped pupils that give her, in her own words, "idol quality".

With this sort of attitude she works to keep peace between others, even if she is sometimes clueless of the situation around her. Her great faith in others and overly trusting nature can also make her seem extremely naive. However, sometimes it gives her clarity that others might miss. Seonji also has problems with easily getting lost without an IES, other system, or people to direct her.

Likes: Team sports, Seeing new places, Getting dressed up, Making friends

Dislikes: Stubborn grumps, Being scolded, Being picked last or ignored

Goals: To help protect the Empire and explore the galaxy
