Character Description

Brando Sinclair is probably one of the prettiest men you will ever see. If it were not for a distinct lack of breasts and his toned physique, he could be mistaken for a female. His hair is light blonde and slightly longer than normal, and his eyes are a steely bluish-grey. People could swear he sparkles (he has been known, on occasion, to wear glitter for the hell of it, but reserves this for special times) and he usually sports a boyish grin. His personality is quite different however- He is a hardcore adrenaline junkie, always looking for something new and exciting to do.

History and Relationship Notes

Brando Sinclair has pretty much always been the same. Since a young age, he always enjoyed extreme adventuring, and the many photographs he carries in digital storage show pictures of him doing the most action-y sports on the most exotic worlds he could find. After the wars with the Mishhu started, he decided that the most adrenaline pumping thing he could do was pilot a Powered armor into combat, and so he enlisted posthaste, as soon as he met the age limit.
