Physical Description

Emiko Freyjasdóttir is tall, athletic, and muscular, owing to the Zhenren Human Upgrade Package on top of her Lily Type Artificial Nepleslian Physiology. At a full 211 cm and thanks to the Zhenren I4B Musculoskeletal Enhancement Package massing 134 kg, she has facial features typical of a Guāngzǔ (光祖), the phenotype developed for the Nepleslian Reds that is of both Nepleslian and Yamataian stock: a mix of Nordic and Japanese Yamataian, Baizu (白祖) and Hongzu (红祖), respectively, along with Core Lianjia and Sardinian Lianjia, Yuanzu (元祖) and Yuzu (裕祖), respectively. Typical of that type, she has light skin, long, silver hair, and blue eyes. Her voice is deep, not surprising given her size, but also sultry and purring, with a bit of gravel and creak. She speaks Trade with a distinct Sardinian-Mutari Lianjia accent.

Personality

Like many Lily-Types, Emiko Freyjasdóttir, through both her innate nature and that of her time-compressed simulated early life, has a tendency towards helpfulness, cooperation, and harmony, not unlike a Nekovalkyrja. As she was created from the Enforcer Template, she was hormonally induced to increase tendencies towards aggression, efficiency, and honor, traits her upbringing reinforced. She is practical, and somewhat impatient with socialization that doesn't lead to productive action.

Emiko Freyjasdóttir has somewhat of a one-track mind. She's exceptionally intelligent, but applies it almost exclusively in a somewhat shortsighted, narrow, and hyperfocused manner towards an immediate, concrete goal, somehow even when applying lateral or abstract thinking to the matter at hand. To her, thinking is something that is applied to knowns in the moment to accomplish a specific end.

History

A Lily Type Artificial Nepleslian created with the Enforcer Template and the full Zhenren Human Upgrade Package preinstalled, Emiko Freyjasdóttir was born in YE 44 on Fujiko. Her first six months were the equivalent of 21 Yamataian Years due to living in a time-compressed virtual simulation. As part of her time-compressed simulated life, Emiko Freyjasdóttir was a Pathfinder in the (virtual) Kikyō Scouts and attended (virtual) university after school to gain a degree in Military Science. She immediately enlisted in the Star Army of Yamatai and attended Officer Training after Basic Training, then the Star Army School of Advanced Infantry Combat[1] after Specialization Training.

Name

She was not assigned a surname when she was created, only her given names. Emiko Freyjasdóttir gained her last name by defeating a Tröll wrestling champion at her Star Army School of Advanced Infantry Combat graduation ceremony[2]. The given name she uses in any situation varies accordingly:

- Emiko (Yamataigo：恵美子, Blessed, Beauty): Used in Yamataian contexts, such as officially in the Star Army of Yamatai.
- Angelina : Used among Sardinians and Mutari. She considers this to be her “true” name, and will use it among Non-Lianjia Nepleslians when outside of the Yamatai Star Empire.
- 電母 Diànmǔ : Lianjia Speech (连家话 Lián jiā huà) Name, used among Lianjia who are not Mutari or Sardinians. Likely her legal name in the Democratic Imperium of Nepleslia, but who keeps track?

Note that her issued NSP is a 33/B as typically issued to Kodians, due to her very large hands, and her Ke-M2-4 Series "Mindy" Armor has to be custom fabricated due to her height and bulk.
