Ikigai Majime

Organization:	Star Army of Yamatai
Occupation:	Star Army Starship Captain
Rank:	Taisa
Current Placement:	

Physical Description

Red Neko ears that, oddly, pop up at the top of her head match the top of her hair which is deep crimson. At about her hips her hair turns a lighter pink color and falls to her knees. She has icy blue eyes and

creamy skin with peach lips and thick eyelashes. She stands at five foot six and has a slender build, slim hips, and almost indiscernible breasts that are only noticeable when she wears a padded bra. She walks with a sharp, quick gate though she sometimes slumps her shoulders. She wears two barrettes to her left side of her face that match her blue eyes, one of which —the top one— is smaller than the other. She smiles often except when engrossed in work. She speaks with a sharp, clear voice unless with friends drinking, at which point her voice gets a little faster or slower to extremes and harder to discern, though this doesn't make her any less fun to be around, just all the better.

Personality

Ikigai means *a reason for being* while Majime means *an earnest, reliable person that can get work done without drama* and Ikigai Majime often stands up to her names. She is all business when on duty and finds her reason for being when off work, which often includes getting drinks with friends and coworkers and laughing, loving, and living with them. Despite this outgoing side to her personality, she can also spend time alone, engrossed in texts, bonsai keeping, embroidery, painting, and singing. She is a well-rounded person in many ways. She sometimes disregards lower ranking officers unwittingly, though this usually works to the situation's advantage.

Her adherence to regulations is noticeable, as is a sweet jasmine scent wafting slightly from her neck, wrists, and from either sides of her chest. Her leadership ability for starts and stops within a professional boundary, only. She can take her time thinking over hard decisions off the field, but when in it, she is sharp-minded, quick, and sometimes even witty.

Don't expect her to lead a song around a bonfire without messing up the words and rythm for everyone and don't expect her to lead a morale-boosting, off-duty scavenger hunt, either. Within the realms of a starship or fort, base, or installation, though, you can count on her to a high degree.
