Current Placement:	

## Current Position

Aboard Gemini Star Fortress for his interview regarding possible transfer to the YSS Eucharis.

## Fashion

Preferring practical clothing to what is deemed as “fashionable”, Imakiri's civilian clothes often have him wearing a jacket or coat, depending on the climate. He usually wears white, grey or red, and has been known to mix and match the colours.

## Physical Characteristics

Height: 6' Mass: 142 lbs Measurements: Bra Size:

**Build and Skin Color:** He has a slim build that although by no means unfit is the bare minimum of the Star Army of Yamatai; he does not keep himself in as prime physical condition as the more active personnel and is slightly weaker with a lower endurance than his peers. His skin is pale from all his time indoors.

**Facial Features and Eye Color:** Has vibrant, scarlet red eyes and handsome, elegant features.

**Hair Color and Style:** Has medium length dusty gray hair that he wears in a variety of styles.

**Distinguishing Features:** Aside from his unusual eye and hair color, Imakiri does not possess any unusual marks or traits.

## Psychological Characteristics

**Personality:** Imakiri is a simple man that does not hold lofty ideals of patriotism with as much zeal as his peers; of course he is proud of the nation he serves and is loyal to his Empress, but he is far from the realms of fanaticism, and if given a choice would much rather relax at home or get on with his work than cheer at parades or ceremonies. Imakiri's loyalty to his loyalty to the Yamatai Star Empire is not nearly as potent as his loyalty to those that he feels bound to through friendship. A quiet yet compassionate man, Imakiri is not particularly resilient and sometimes has trouble coping under pressure. His natural curiosity is both a blessing and a curse, and has gotten him into trouble on many occasions.

**Likes:** Exploring and probing the unknown, studying and working on Nekovalkyrja, music and reading

**Dislikes:** Injustice, suppression or disruption of the scientific process, Vanilla **Goals:** To make progress in the name of science and discovery.

## History

### Family

Itakori Yamazaki - Father, PNUgen Engineer Hinzo Jista - Mother, PNUgen Biologist

### Pre-RP

Born in [YE 02](#) as a Geshrin in Tania to two PNUgen employees, he studied at Educational Facility 2, specialising in Science. In [YE 24](#) he graduated with a particularly high mark and started his own work for PNUgen, part of the team responsible for manufacturing, designing and enhancing Nekovalkyrja, and is

particularly well-acquainted with the [NH-17](#) model, which he worked on during his time in PNUgen.

In [YE 27](#) he volunteered to become a part of the Yamataian species, a new race at the time. After the conversion process, Imakiri found himself drifting through Kyoto from job to job in the private research sectors of the city. Eventually and after much deliberation, Imakiri decided to prepare for his future and to earn a comfortable life by serving in the Star Army of Yamatai. Having just finished his training, he is ready for his first posting.

## Service Record

- [YE 30](#) - Finished Training and entered Active Duty.

## Santô Hei

- Temporarily transferred to [Gemini Star Fortress](#) for interview regarding transfer to [YSS Eucharis](#).
- Transferred to [YSS Eucharis](#).

## Skills

### Communication

Imakiri is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Imakiri is fluent in Nepleslian. He can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.

### Fighting

He has received hand-to-hand combat training, followed up with a rigorous training program. He is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons He is trained in include energy pistols, knives, and power armor.

### Technology Operation

Imakiri is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. He is proficient in entering and/or searching for information.

### Mathematics

Imakiri received basic mathematics training, to including up to algebra and trigonometry.

## Medical

Has a good knowledge of the physiology of Yamataians and Geshrin, but specializes in that of the Nekovalkyrja, having worked in the Nekovalkyrja department of PNUgen. Able to administer first aid and assist in more complex medical procedures, provided he is with trained medics.

## Engineering

Imakiri, both as part of his studies and his time at PNUgen, is trained in the design, maintenance and construction of androids, particularly nanotechnology. This is part of his specialization in Nekovalkyrja. This knowledge extends on a fundamental level to other areas, and as a result Imakiri is able to apply his knowledge in nanotechnology and android technology to other technological areas, particularly cybernetics.

## Biology

Part of his education at Educational Facility 2, Imakiri has received training in the examination of alien specimens and has also received training in Genetics, although his knowledge does not match that of a specialist geneticist.
