Physical Description

Jinja Emi walks with an ease of pace and step at a height of 5'5" and has strikingly thin legs, waist, and arms. Her hips bow out either way and pull the fabric of her usual [Star Army Skirt, Type 35](#), which is completed by the rest of the black-paneled Type 35 uniform ensemble. Emi's pale, pasty, chalk-white skin is accented by strikingly bright, crimson genetic tattoos that begin mid cheek and push down, towards the area between the jaw and ear, where the red genetic tattoo ends. She has two tone eyes, the top of which are purple and the bottoms, red like her tattoos and are almond shaped. She has thick brows that are centered more near her nose than outwards on her forehead. She keeps her short and curly matte black hair in a [specific style](#) most times, unless at home, in which case it is usually drying or wet from one of her many showers, an almost habitual occurrence. She is well endowed in the chest.

Personality

Jinja Emi tends to speak quietly and with a certain absence of emotion. She is often viewed as cold and distant, which is an accurate appraisal. Her wrath tends to be carried out quickly and physically, often striking disrespectful subordinates instead of bureaucratically processing them. Her harsh personality inspires unease and even fear as she tends to make appearances when operations fall behind schedule or do not achieve adequate results.

History

On paper, Jinja Emi was born in [YE 27](#) in the city of Kyoto, Yamatai. In reality there is no real information available. The sheer amount of falsified data about Emi pales in comparison to the number of aliases she maintains. The reality is that Jinja Emi was purpose built to become a SAINT operative and excelled to the point of serving directly under the organizations director, [Nakaide Shida](#). Despite the desk bound nature of the job, Emi refuses to abandon the field preferring to process vast amounts of data in the back of her mind. An aging [Nozomi-class Scout](#) is assigned to her command for travel as she prefers to personally meet with operatives when possible to see the operations of the organization with her own eyes.

In [YE 40](#), Emi was made the Deputy Director of SAINT responsible for its day-to-day operations. She was assigned to be commander of the SAINT Installation on [Vicky](#) in [YE 41](#), a posting traditionally held by the Deputy Director.
