Character Description

Shimei is, at first glance, and extremely timid person. She appears to have some sort of shell-shock, or the like, and is apparently afraid of superiors, though she also worries quite a bit about her peers. However, when Shimei boards a Powered Armor, her personality does a 360, and she becomes brash, confident, and just a little bit self-centered. She tries to be a glory hog, but her skills don't quite match up with her enthusiasm just yet.

Appearance-wise, Shimei is a small, brown haired Nekovalkyrja who wants to make herself smaller, or at least her defensive postures might lead you to believe so. her hair is cut short, a few inches above her

shoulders, and her eyes are a deep purple shade.

History and Relationship Notes

Kazako Shimei is a Neko whom was taken prisoner during the first Mishhuvurthyar war. She was, obviously, beaten and tortured nearly endlessly, but was rescued in the final days of the way. It took nearly the entire peace-time period to recuperate her and bring her back to a socially functioning level, but she still has her problems. Having originally been a bridge bunny, she instead opted to change careers and become a power armor pilot, from an underlying desire to pay the Mishhu back for what they did.

Skill Areas

- Entertainment: Shimei is actually quite skilled at Musical theater, or was before her capture.
