History

Family (or Creators)

Yui (mother)

Pre-RP

Rikou is the fifth child of [Ketsurui Yui](#). She was born into and raised in the Ketsurui court. ¹⁾

Fort Ready

Rikou attended Fort ready, where she learned all her basic skills required by a Nekovalkyrja. She didn't seem to be anything more than mildly amused with most combat-related training, but took especial interest to starship operations training, which she invested much of her time in. In preparation for becoming a true starship captain, She was assigned a post on the YSS Genesis, which was more of an honorary position as she continues her training on board a real ship.

YSS Genesis

The YSS Genesis is Rikou's first real assignment, as well as an advanced continuation of her training.

Skill Areas

Standard Skills

As a Nekovalkyrja and the daughter of the former empress and the head of the Star Army, Rikou is expected to have at least the same knowledge as every other Neko. As such, she was trained from her youngling days just as all other Nekovalkyrja were, though at a different pace, and generally with private tutors within the Ketsurui court.

Communications

Like all Nekovalkyrja, Rikou is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. Rikou is fluent in Nepleslian and Yamataian. She can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.

Fighting

Rikou has received hand-to-hand combat training, followed up with a rigorous training program. She is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, knives, and power armor.

Technology operation

Rikou is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. She is proficient in entering and/or searching for information.

Mathematics

Rikou received mathematics training, to including up to algebra and trigonometry.

Personal Skills

Aside from the standard skills all of her race must know, Rikou learned a few other skills in order to round out her education.

Starship Operations

Rikou is interested in starships and has studied the basics of starship operations, including navigation, sensors, and some weapons systems. She does, however, lack any kind of actual experience with any of these subjects.

Leadership

As a Ketsurui, Rikou has grown up around many whom are subservient to her. She knows her place, and is respectful to those in a position above her. Rikou seems to have a natural ability to instill confidence in others, but this only works when she herself is feeling especially confident.

Culinary

Rikou has taken a liking to the Culinary arts, and knows how to cook. She can bake, fry, boil, broil, and grill just about anything, but specializes in sweets and desserts.

Ketsurui Rikou is a Ketsurui princess. She has everything she needs provided her by her family.
