Chaos, hand to hand combat

Biography

History

Louis was born on Yamatai and was raised by a family that was full of robotics engineers and mechanics who helped a near by military base repair their mech. This is where Louis' fascination with machines and was spawned and grew. Shortly after his brother joined the YSA Louis jumped on to but as a Technician because of his lack of fighting skill.

Service Record

5th Expeditionary Fleet

YSS Yugumo		
Rank: Itto Heisho	**Position:** Technician	
YSS Asuka		
Rank: Santo Juni	**Position:** Chief Engineer	

Skills

Communications

Louis is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. He is also fluent in English. He can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc.

Fighting

Louis received hand-to-hand combat training, followed up with a rigorous training program. He is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons He is trained in include energy pistols, knives, and power armor.

Technology Operation

Louis is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. He is proficient in entering and/or searching for information.

Mathematics

Louis received basic mathematics training, to including up to algebra and trigonometry.

Maintenance and Repair

Since Louis paid more attention to the intricacies of trade of his parents he is able to fix most devices that are used by the YSA en mass. He takes care to make sure everything he works on is properly fixed and double checks everything he does.

Art and Vocations

Louis uses his art as an outlet for his fear and anger. In his free time Louis makes etchings of various things in metal. He namely etches guns and knives for the irony in it.

Engineering

From childhood Louis has been very creative. As a child he would take scrap parts from the workshop and make toys from them. As he got older and learned more he started to invent more things but has never made more than just blue prints or a scale concept model.
