## Personality

Motoyoshi Tetsuya is an INTJ <sup>1)</sup> personality type. Tetsuya is known for his strategic nature; while he's able to react rationally and quickly to situations, he has a tendency to ensure that his analytical assessment has been completed before he will turn thought into action. He sees interactions with others as a game of chess and often deploys complex strategies to help others understand or even be manipulated to his point of view. He often will dismiss traditional ideas, actively showing his devotion to [Motoyoshi Clan](#) doctrine of deploying unorthodox measures to overcome obstacles or solve problems.

Having been a secret from most of his own clan for so long, Tetsuya's ability to be patiently reinforced an already strategic and analytical mind. At the same time as he is strategic, he's rather romanticized by personalities like [Taisho Ketsurui Yui](#) and his mother [Ketsurui-Motoyoshi Katsuko](#). In terms of romance and sexuality, Tetsuya tends to be indulgent and often deploys his strategic and analytical nature to help him gain the affections and infatuation of his lovers.

## History

Tetsuya was created by [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi-Ieyasu Taro](#) in [YE 32](#). He was born a [NH-33Y \(Youngling\)](#) ([NH-33 \(Tennyo\)](#)) on [Nataria](#). He was raised by [Motoyoshi-Ieyasu Taro](#) and officially only utilized the Ieyasu surname until [YE 43](#) when his existence was shared with the rest of the [Motoyoshi Clan](#).

[Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi-Ieyasu Taro](#) created Tetsuya with the intention of replacing [Motoyoshi Tio](#), who in [YE 30](#) backstabbed the family and went with his sister to the [United Outer Colonies](#). Even though [Motoyoshi Tio](#) returned to the family in [YE 42](#), he has not regained his full status within the clan.

Motoyoshi Tetsuya underwent initial training and acclamation at [Fort Minori Reserve Center](#) before he transferred to the [Kyoto War College](#) in the city of [Kyoto](#), on [Yamatai \(Planet\)](#). He finished his undergraduate studies in [YE 33](#) and transferred to [Hotaru Star Fortress](#) in the [Seventh Fleet](#) as a [Combat Systems Operator](#) at the rank of [Shoi](#). During his time on [Hotaru Star Fortress](#), [Chujo Motoyoshi-Yamada Ayano](#) served as his mentor and provided him with guidance not only in his [Star Army of Yamatai](#) career, but also in what would be expected of him when he became known within the [Motoyoshi Clan](#). He slowly worked up the ranks in the [Star Army of Yamatai](#)

In [YE 34](#), after the end of the [Second Mishhuvurthyar War](#), Tetsuya began to take additional classes at [Kyoto War College](#) as he continued to serve on [Hotaru Star Fortress](#); he graduated with a Master's Degree in International Diplomacy, and a second Bachelor's Degree in Advanced Leadership. Tetsuya took a great deal of interest in the formation of the [Yugumo Corporation](#) in [YE 41](#); he began correspondence with [Motoyoshi-Igarashi Yuka](#) after he transferred to the [First Expeditionary Fleet](#) as a [Combat Systems Operator](#) at the rank of [Chusa](#) on [Gemini Star Fortress](#) still under the supervision of his mentor [Chujo Motoyoshi-Yamada Ayano](#).

When the [Kuvexian War](#) ended in early [YE 43](#), Tetsuya left active service from the [Star Army of Yamatai](#) and was placed in the [Star Army Reserve](#), he trains at [Fort Tokyo](#) one weekend a month. He then

graciously accepted the position of [Shachō](#)  in the [Yugumo Corporation](#) that was offered to him by [Motoyoshi-Igarashi Yuka](#).

In [YE 44](#) he was appointed as Governor of [Jiyuu III](#) when his father rejoined the [Star Army of Yamatai](#).
