Character Description

"Motoyoshi Tio is a handsome menace."

Appearance

In [YE 42](#), Tio transferred from a [Jiyuuian NI-ARIA](#) body to a [Minkan](#) body. The change was made out of concern that [Motoyoshi Kiyoko](#) may have sabotaged or tampered with his Jiyuuian body during the time he was held captive and tortured.

Tio has a slender yet athletic build and a pale complexion. He has short, spiked cobalt-blue hair with bled violet highlights and smoldering almond-shaped crystal-blue eyes. He is notably regarded as handsome with a distinguished bishounen allure. He is often referred to as a “pretty boy” and tends to easily gain the attention and affection of young females.

Personality

Tio is an intellectual and is a man of few spoken words; he prefers telepathic communication because he feels it is more intimate.

He is a confident, charismatic, natural-born leader with a passion for self-exploration and philosophical engagement. He, however, has a tendency to push a little too hard sometimes when discussing matters he feels passionate about, sometimes coming off as cold or uncaring towards the opinions of others.

Tio tends to be socially ambitious and loves to listen to the latest gossip. He is seductive and romantic, his appetite with women used to be in excess; using his witty intelligence and charming compliments to entrench himself into their hearts. He has an artistic side; he plays the violin, reads poetry, paints and does professional level photography in his spare time, his favorite subjects being young, naked women.

Family Notes

Motoyoshi Tio is the father of [Motoyoshi Eidan](#), who is regarded as the heir of the former [United Outer Colonies](#) faction. Eidan is the result of a relationship between Tio and [Tange Amaya](#). (**See:** [Forum Thread](#).)

Summerized History Prior to The Resolutions of The Ghost

Note: Due to retcons some characters and names have been modified.

The Rise of A Prince

Tio was created in [YE 28](#), for the most part, the first two years of his life of which he spent under the care of Kotoku Sui, the former Senator of the [Taiie Colony](#) and a [Chujo](#) in the [Fifth Expeditionary Fleet](#). He was kept relatively uninvolved in the [Motoyoshi Clan](#) until his mother, [Ketsurui-Motoyoshi Katsuko](#) became Empress of the [Yamatai Star Empire](#) in [YE 30](#). He was educated as a civilian, with no plans of ever entering the [Star Army of Yamatai](#). He attended University on Taiie and then following the colony's destruction, on Jiyuu. He completed a Doctorate in Political Science and a Master's Degree in Philosophy.

A Step in the Right Direction

In [YE 30](#), when [Ketsurui-Motoyoshi Katsuko](#) became Empress, Tio had played a major role in the establishment of the Jiyuu Colony on [Jiyuu III](#). He made his first major appearance in the political arena of the galaxy when he interrupted the proceedings of the [Senate of Yamatai](#), during [Proposal #81: Establish Diplomacy with the SMX](#). (**See:** [Forum Thread](#))

Tio assisted then-Senator [Tange Amaya](#) in suggesting that *"Perhaps it would be wise to call a summit of all nations. It may be a chance to stop angst on all fronts, to encourage a time of peace within known space."* which lead to the [International Relations Conference of YE 30](#).

The then Empress [Ketsurui-Motoyoshi Katsuko](#) made it known in her State of The Empire Speech (**See:**[Forum Thread](#)), that Tio would be attending on behalf of the [Yamatai Star Empire](#).

Before the Conference, Tio sent an important message on behalf of Empress Katsuko to [Ketsurui Yui](#), The [Lorath Matriarchy](#) and [Melisson](#) of the SMX declaring a cease-fire. (**See:**[Forum Thread](#)).

Tio's fateful love interest in the Senator, [Tange Amaya](#) began during a dinner for two where they discussed the proceedings of the conference ahead. (**See:** [Forum Thread](#))

The International Relations Conference of YE 30

(**See:** [Forum Thread](#) and [Forum Thread](#))

Motoyoshi Tio's attempt to bring a diplomatic healing to relations with the SMX turned sour at the Conference. The result was the failure of establishing any kind of meaningful resolution between the SMX and Yamatai, it was later claimed by [Melisson](#) that Tio's outburst towards her was what lead to the [Second Mishhuvurthyar War](#). (**See:** [Forum Thread](#))

Tio's flirtations with Tange Amaya continued throughout the summit. (**See:** [Forum Thread](#))

Following the conference's conclusion, Tio was responsible for deploying two Imperial Decrees to the Senate on behalf of his mother; The Draft on an Azorean Trade and Tourism Agreement (**See:** [Forum Thread](#)) and the Request to Make a Treaty with Nepleslia (**See:** [Forum Thread](#)).

Freedom Cake and The United Outer Colonies

(**See:** [Forum Thread](#))

Motoyoshi Tio and Senator [Tange Amaya](#) did not return to Yamatai following the conference. They instead returned to the Jiyuu Colony and the events were set in motion which lead to the Independence of the [United Outer Colonies](#). Tio continued as the monarch and Crowned Prince of the [Jiyuu no Motoyoshi](#) and played an active role in the government of the colonies.

On the night that Independence was declared he shared a romantic evening with [Tange Amaya](#) which lead to the conception of [Motoyoshi Eidan](#).

United Outer Colonies Relations

Tio was involved in discussions and proceedings involving the UOC's relations with the [Democratic Imperium of Nepleslia](#) (**See:** [Forum Thread](#))

The Mistake of A Lifetime

Tio was involved in the ST restoration of his sister [Motoyoshi Kiyoko](#) after she had been killed while defending the [Freespacers](#). (**See:** [Forum Thread](#)). This turned out to be a grievous mistake that led to his own downfall.

When the United Outer Colonies fell to the Mishhuvurthyar in [YE 32](#), Motoyoshi Tio, along with his son [Motoyoshi Eidan](#) and Senator [Tange Amaya](#) disappeared. Rumors circulated that they had gone into hiding, they did not resurface again until [YE 41](#), when it was revealed that Eidan had been placed into hiding and Tio had been held captive and was tortured by Kiyoko.
