Atsukoha Orohote in Roleplay

Atsukoha Orohote is a [player character](#) played by [Aendri](#) and is currently involved in the Eucharis' Finding Freedom mission.

Physical Characteristics

Height: 5'3" / 160 cm Mass: 103 lbs / 47kg Bra Size: 30B

Build and Skin Color: Suka has a lean, athletic build, with little fat on her body. She's quite petite, with a small bust and a small form overall.

Facial Features and Eye Color: Suka has a small, thin face, with deep blue-green eyes. She has a small tattoo of vines on the left side of her face, running from the corner of her eye to her jawline. She has almond shaped eyes, with long eyelashes.

Hair Color and Style: Her hair is very long most of the time(12-16in), and black in color, with some hints of brown marring the perfect raven coloring. She wears her hair down whenever she can, but braids it and puts it up as she needs to.

Distinguishing Features: Her tattoo, being black in color, almost blends in with with her hair if she has it down, but when her hair is up, it is very obvious.

Psychological Characteristics

Personality: Suka has a very distinct personality. She's an overachiever, not out of a desire to be perfect, but a desire to continually improve herself. She's continually looking for new things to learn or do, and loves it when she can honestly say that she has gone as far in a field as she can. She's a very friendly person, not in a competitive way, but rather looking at others as people who quite possibly know something she doesn't, and, in that respect at least, someone to be respected. She is very much a people person, and hates being alone, not because she likes to show off, but just because she likes being around people. One of the only things she's sensitive about is her bust, as she feels it is overly small, and she feels she can't compare to others in that regard.

Likes: Learning, parties, people **Dislikes:** People who are close-minded, loneliness, **Goals:** Become essentially the ultimate jack-of-all-trades.

History

Family (or Creators)

Yusato Orohote (mother, 51), Koyu Orohote (father, 52), Esaku Orohote (brother, deceased, 30), Senina Orohote (sister, 20)

Pre-RP

Suka lived a very normal life as a child, growing up as the middle child, with an older brother, and a younger sister. Her and her sister were always close, simply due to their ages, but Suka admired her brother more than anyone else. He was intelligent, athletic, and popular growing up, and she aspired to be just like him. This is the cause of her overachieving nature, as their age difference was just enough that she could never quite catch up, despite being none too bad herself.

However, her brother signed on with the Star Army the moment he was old enough, and served proudly for three years, before being killed in action during the destruction of [Geshrinopolis](#) in the Fourth Elysian War. Because of this, she feels like she has to work harder than ever, to prove to the world that she really could have been better than him someday. To further this, she joined the Army, in the same profession as he had, with the goal of surpassing her mental image of the man her brother would be today.

YSS Freedom (Freedom Down)

She received a posting on the *YSS Freedom*, and shortly thereafter, they were assigned to escort citizens of the Empire to other planets. However, in transit, the *Freedom* was ambushed, ending with the few who were still able evacuating the ship in multiple vehicles, and landing on the surface. Now, after dealing with multiple crash injuries, they have moved to a native village nearby, after being hit with some form of artillery, followed by a wee bit of PA sniping. Suka escaped with only minimal injuries, while others were severely injured, one member of the group even losing an arm. Then, after recuperating and regrouping in the village, they moved out to attempt a reconnaissance mission, they were forced to scatter, running from the Mishhu forces.

Skills

Communications

Suka is familiar with basic radio operation and procedures and can make transmissions to and receive transmissions from other characters through headsets, starships, power armor, and shuttles in both combat and non-combat conditions. She is fluent in Nepleslian and Yamataian. She can speak and write both correctly and efficiently and can write reports, fill forms, issue orders under fire, etc. She is skilled at putting her thoughts and ideas into a persuasive format with writing, though she is nowhere near as good at actually vocalizing them.

Fighting

Suka received hand-to-hand combat training, followed up with a rigorous training program. She is skilled and experienced in combat both in Yamatai-like conditions and in zero-gravity, with and without weapons. Weapons she is trained in include energy pistols, energy rifles, grenades, knives, and power armor.

Technology Operation

Suka is capable of operating any computer system that uses the Kessaku OS, found on all Star Army starships. She is proficient in entering and/or searching for information. She is also skilled at encoding and decoding information using computers for security purposes. She has also studied codes and coding as a hobby, something she shared with her brother. She's proficient at picking up on and writing in code, as they used to trade notes using random codes of their liking.

Mathematics

Suka received basic mathematics training, to including up to algebra and trigonometry. This is on top of her completion of upper level school courses in math as well.

Knowledge

Suka taught herself to have a near eidetic memory, allowing for great recall of information of many kinds. In order to test this, she has memorized a broad spectrum of random facts with no real purpose aside from the purpose of testing her recall.

Entertainment

Suka has studied music, and is capable of performing quite nicely on a flute. She enjoys playing in her free time, and keeps a flute with her, whenever she can. She also studied how to create a recorder from scratch, including the shaping of the wood for that purpose.

Culinary

Suka enjoys cooking as well, and as such, learned how to cook all manner of things. For a time, she thought of going into the business of a chef, and studied how to cook under many different circumstances.

Survival

Having to live off the land on her own for a large amount of the time after the *Freedom* went down has taught Suka how to passably live off of the land, create shelter, and hide herself if needed.
