Physical Description

Akiko was born with purple hair, a combination of one of her mothers having [blue](#) hair and the other having a kind of primary color [red](#). When she became a [NH-33 \(Tennyo\)](#) in [YE 35](#), she added some color to her hair and made it much shorter than before to keep it more manageable.

The somewhat tall Nekoalkryja has somewhat dark hyacinth purple hair cut into an asymmetrical pixie cut. The longer side can cover one of her eyes if not kept in check by product or a hair pin, but is naturally soft and bouncy. It is very thick and reaches down just past her jawline, which dips into white accents along the bottom on that side. Her eyes are silvery white, and shaped like her mother, Katsuko's. The Neko's features are pretty, though statuesque rather than cute. It makes looking serious quite easy for her.

Her ears are both furred on the back, and press out from either side of her head. She does not have a tail, but her features put her in the taller and more curvaceous region when compared to other Nekoalkryja. Of the triplets Akiko was born a part of, she is the second most filled out.

The sound of her voice is cool and cutting, which sometimes leads to misunderstandings.

Her scent is a modern perfume that mixes floral scents with more mature and abstract notes.

Personality

Of the many things said about Tomoko, she is known foremost for being determined and ambitious. She sees it as her responsibility to follow in 'the family business' and is very career focused as a result, when not 'on the clock'. She is often known to skip social events to train, or study for extra qualifications and their exams.

She is quick to change her mind when presented with enough evidence, and views being fluid as the most important thing when deciding how to approach a conflict or most problems. Perhaps learning from her parents, all of her relationships have come from within the Star Army of Yamatai, without exception.

Akiko has yet to realize that learning more military arts does not count as having a hobby.

History

Akiko is the eldest daughter of three triplets born to [Shimizu-Motoyoshi Akina](#) (清水本吉明菜) and [Ketsurui-Motoyoshi Katsuko](#) in [YE 30](#) aboard [Pisces Station](#), during the [International Relations Conference of YE 30](#).

Sky Marshall [Robert Davis](#) named her "Tomoko" (wise child) when she was born, a name she used throughout her time before joining the Star Army, a name she still uses with pride depending on the circumstances. (That RP is [Here!](#))

To commemorate her birth a Star System in the then eastern expanse of the [Yamatai Star Empire](#) was named after her. She is a princess of the Motoyoshi, Ketsurui(through Katsuko's adoption and thus hers into the clan), and Shimizu. This doesn't afford her any high place in any succession currently, even among the eldest clan descendants.

She participated in the [Second Mishhuvurthyar War](#) as a cadet in [YE 34](#).

Akiko participated in the [Kuvexian War](#) from start to finish.

Akiko has trained and fought with [Star Army Rikugun](#) and naval infantry forces various times between [YE 38](#) and [YE 42](#). This was invaluable to teach her how to coordinate between different styles of infantry, and to give her practical experience on assault (ship to planet, ship to ship, planet to ship) operations.

In [YE 39](#) Akiko attended the [Kyoto War College](#), and studied advanced fleet strategy and tactics, and cross-trained in planetary assault operations before and after graduation, putting it to use while trying to clear worlds of the invaders.

In [YE 40](#) Akiko graduated from the [Star Army School of Advanced Infantry Combat](#) at [Fort Ingestrie](#), [Tatiana](#) earning her Giretsu qualification.

In [YE 44](#), she was assigned to serve aboard the [YSS Tokyo](#), to assist the commander of that battle group, [Motoyoshi-Yamada Ayano](#) as a [Star Army First Officer](#).
