Physical Description

Takashi's scrawny frame stands at an unimpressive 5'9". His thick black hair is usually cropped quite short and the olive-coloured skin of his freckled face is as unblemished as a baby's. His bright brown eyes perceive the world as if seeing everything for the first time.

Personality

Takashi is non-confrontational, but is happy to negotiate with those who may disagree with him. Thus far, Takashi has mostly drifted through life doing what was expected of him. Until he walked away from home and joined the Star Army.

History

Sonoda Takashi was born in [YE 21](#) in the city of [Geshrinopolis, Yamatai \(Planet\)](#). Luckily for him, he and [his adoptive parents](#) were visiting [a friend in the Ice Queen Mountains](#) when Geshrinopolis was destroyed. They were among the first to move into the newly founded Kyoto when it was built on the ruins of their beloved Geshrinopolis.

Takashi's first choice for college was [Kyousoo Institute of Technology](#) but he was rejected. Instead, he studied astrophysics at his second-choice: [Scientific Studies Service \(SSS\) - Gakuin \(Academy\)](#). Before he graduated, something happened and he simply walked away from the life he had known up until that point. He spent a week wandering the streets of Kyoto before enlisting in the [Star Army of Yamatai](#). He was briefly assigned to the [Kaiyō](#). Then he was assigned to [provide security at the Victory Day celebrations](#).

Finally, he was assigned to the [YSS Resurgence of Yamatai](#). Immediately upon [arrival](#), he volunteered to go on [an away mission to the old PNUGen headquarters on Yamatai](#) where he was supposed to gather information on their genetics laboratory, but instead discovered that the away team that preceded him were attacked by [Ueserayan nekos](#) who were also investigating the PNUGen facilities for an unknown purpose.

In 3月 YE 43, he was promoted to the rank of [Nitō Hei](#).
