Corporations

It is no surprise that ambition is on the rise in a universe where technology has reached nearly as far as the imagination. Corporations represent those who sell their goods and offer services to those who inhabit the Places of the Kagami Galaxy. From the tools of war to the bare necessities like food and water, there will always be someone in need of something that can be sold or traded.

To create a corporation, see Guide To Being a Merchant in Star Army.

List of Corporations

Listed below are the Corporations of the SARPiverse.

To Add A Corporation to the list, please fill out the struct information on your Corporation's page. (See:Struct)
