About Tenth Life

It was founded with the idea that music should be seen and heard by as many as possible, that artists should have creative outlets, and that the people of the many factions of the Kikyō Sector and beyond deserve the best, which is what Tenth Life strives to give. There are several artists and bands that are on retainer, but [KOgama](#) is the one closest to Akemi's heart, as it is his own pop duo that he is a part of!
