

Black Wolf Winery

Nestled in the fertile valley below Urufutake (*Wolf Mountain*), is the vineyard operated by the [Shinja Clan](#). The Clan grows a wide variety of grapes from which the "*Kuroi oukami no shuzoujou*" or Black Wolf Winery produces a variety of wines. The Winery takes its name from the both the mountain that dominates the horizon and the color of the soil which is black. The operators of the Winery practice the latest methods of soil management to protect the land and their production.
