

EM-O1-W3400 Taser Module

Emrys Industries

A Tamahagane Company

The EM-O1-W3400 Taser module was developed for the [EM-O1 "Tadayou" Series Drones](#), it became available in [YE 34](#).

About

This module fires a sphere 1.680 in (42.67 mm) in diameter at a target. The sphere when launched deploys a number of barbs. When they impact they discharge a disabling electrical charge. The sphere has enough energy to deliver two such charges. Taser module is capable of firing four times before reloading.
