

EM-G20-1a - Otomo Hover Tray

! **WIP:** This article is a work in progress and is not yet approved for usage in the RP.

The EM-G20 Hover Tray is an [Emrys Industries](#) convenience, and became available in [YE 34](#).

About the EM-G20

The EM-G20 is designed to help with serving food and other pleasantries. The Tray uses compact anti-grav modules integrated in the bottom. These provide hover only. The tray has no propulsion of its own, so if it is moving when released, it will continue. If stationary it will stay unless bumped into. The EM-G20 comes in a variety of sizes for different uses.
