General Information

The Galactic Shipping Agency	
	
CEO	Jonathan Serptine
Faction	Yamatai Star Empire
Product Symbol	GS

Headquarters

The Headquarters of GSA is located in a high rise office building in Kyoto.

Facilities

The GSA holds warehouses at various major starports around the galaxy, with the purpose of holding goods for later transport. Many of these warehouses also hold small security crews employed by GSA to protect their goods. These same security crews ride on all GSA flagged ships.

Structure

The Company has two major divisions, Management and Logistics.

Logistics

Logistics is in charge of deciding what routes ships should take in order to be most efficient. Logistics is headed by Mr Benjamin Jonstien.

Management

Management is in charge of making sure the company runs smoothly from both a financial and public relations standpoint. Management's primary duties are to secure shipping contracts and ensure there is enough income to balance expenditure.

Products

GSA does not make any products, they merely offer affordable delivery services, from anywhere to anywhere.
