

Galactic Six

Galactic Six is the brand name used by [Galactic Horizon](#) and [Section 6](#) when they pool resources, manpower, and ideas to manufacture new products together via splitting the workload and funds evenly between both entities. The two entities have been close ever since [Galactic Horizon](#) first set up shop on [Planet Osman](#) in [YE 40](#) and this just proves they can continue to synergize well with one another despite whatever the world may throw at them.

About Galactic Six

[Donvan Black](#) arranged a meeting between the higher-ups of [Section 6](#) and [Galactic Horizon](#) in [YE 40](#) to propose a new joint venture for both entities. Although little more than a paper trail, it allowed for both sides to work better with one another to pool resources, ideas, and manpower together for an equal split of the payout; additionally, the undertaking is relatively inexpensive to maintain due to the entities just using their pre-existing infrastructure.

Headquarters

Galactic Six is run by [Riccard Black](#) and [Mark Oaklen](#) (the two individuals are co-CEOs of Galactic Six), with all decisions being made once the duo has come up with a unanimous decision. The two usually communicate via conference calls or other long-distance means from their own respective companies and meet up when discussing business with new clientele or a face-to-face meeting is preferred.

Facilities

As stated above, Galactic Six makes use of [Galactic Horizon](#) and [Section 6](#) infrastructure when working on projects, with both sides doing whatever they can to help out; due to how close the two entities have always been, this eases the process of information and/or prototypes being sent where they need to go.

Structure

Galactic Six uses a combination of the personnel structures from both [Galactic Horizon](#) and [Section 6](#), with [Riccard Black](#) and [Mark Oaklen](#) being the two co-CEOs in charge of it all.
