Geshrinari Damage Control Station

All Geshrinari Shipyards starships are equipped with Damage Control Stations. These units are placed at strategic locations throughout a starship and are designed to help crew members control and repair damage to their starships.

These stations contain the following:

- 5 Emrys Dusk suits or Emrys Environ suits *list on ship design*
- EM-G18-1a Ship Hull Patch Kit
- 2 Fire Extinguisher s to augment Ge-Y1-E3104 - Automatic Fire Suppression System
- Portable Fusion Generator (2) - These are about the size of a microwave.
- EM-G17-2a Repair Kit
- EM-G17-1a Basic Tool Kit
- Power and Networking Cables
- Various repair supplies such as piping, sealant, etc.

The stations are kept locked. They can be unlocked by the captain if desired and unlocked by authorized persons or the ship's computer.
