

Geshrinari Lounge

[Geshrinari Shipyards](#) designs often include a lounge. The lounge is a cozy community area designed for the rest and relaxation of ship occupants. The lounge typically has several couches, chairs, and coffee tables which are arranged for conversations. A volumetric display is mounted on one of the walls, it can serve as a virtual window or a screen for entertainment. There is also a small food and beverage bar located off to the side to serve snacks and alcohol during social gatherings.

A [standard ship's door](#) with a [Ge-Y1-E3103 - Intercom System](#) opens into the end of the room. There is ceiling mounted lighting, as well as [Ge-Y1-E3104 - Automatic Fire Suppression System](#) dispersal nozzles through out the lounge. The floor is covered in the standard floor covering for the ship. Typically a store room is next to the lounge where furniture and equipment can be stored when not in use in the lounge.
