

Iemochi Insurance

A subsidiary of [Iemochi Innovations & Sales](#), created in [YE 39](#). With the ever increasing danger of the universe, Iemochi Integrated Systems saw the potential in providing insurance for spacefarers or property owners at a premium.

About Iemochi Insurance

Due to the prevalence of dangerous situations in the modern world, Iemochi Insurance was created to reap the benefits of people paying premium for accidents or events possibly affecting them. Freighters are always afraid for their cargo, soldiers scared for their family if they were to die and the countless others with similar fears. This company seeks peace of mind for these people while making a profit.

Logo

The Insurance logo is two hands protectively cupping and shielding a planet, to represent how the company provides protection for all regardless of boundaries.

Motto

"Your second skin."
