

Classico Hovercar

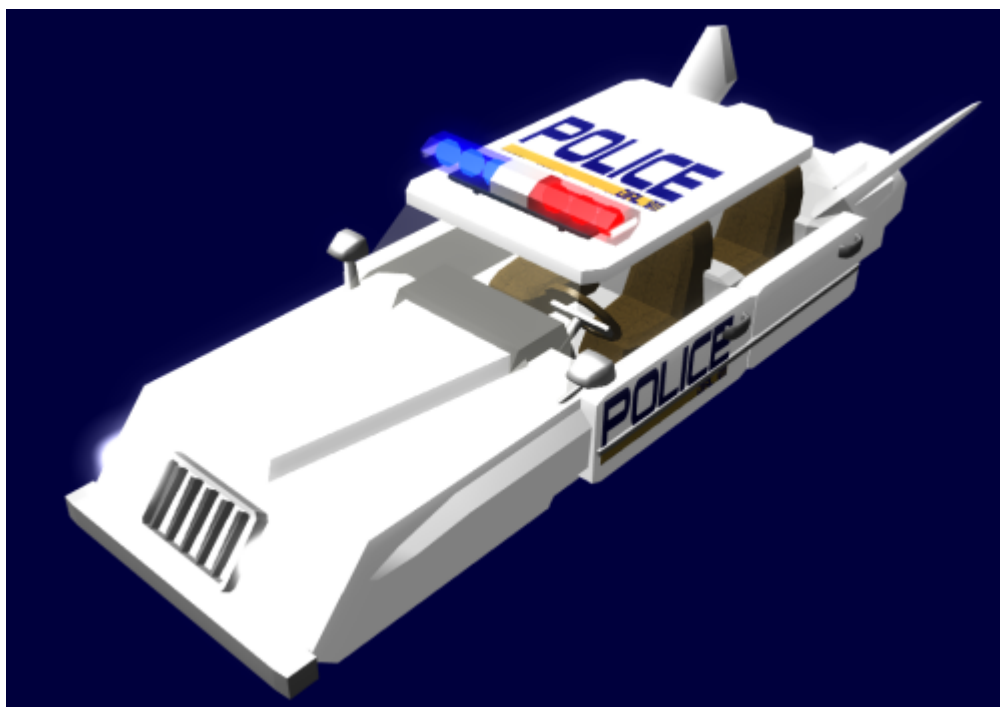

The Classico is [Ketsurui Zaibatsu](#)'s first entry into the hovercar market. It was first produced in [YE 31](#). It is well-built and perhaps a little overpowered.

Police Version

The Classico, because of its high speed, has also been adopted for use by the [Yamatai National Police](#).

OOOC Notes

Authored and approved by [Wes](#) on February 15, 2009¹⁾
