

NO-M1-P3501 Flight Package

The NO-M1-P3501 was developed for use with the [NO-M1-2a - Mantis Power Armor](#), it became available in [YE 36](#).

About the NO-M1-P3501

The NO-M1-P3501 is designed to give the armor atmospheric flight only. Useful in civilian roles such as security, and law enforcement. It consists of a pair of folding wings that attach to the back of the unit. When engaged the wings extend. There is also a pair of electric turbine jet engines powered by the armor's power system.

Details
