

Ragnarok

The Ragnarok Private Military Corporation (PMC) is a paramilitary organization who specialize in infantry and mechanized combat. Its current leader and CEO [Cyrus Marshal](#).

History

In late YE 38, the Ragnarok PMC was founded by Cyrus and a small group of people in the Hollow Point bar on [New Belfast](#). They conducted their first mission for the city government of Icefall, to eliminate a gang who had been terrorizing the locals there.

After completing the mission successfully, Cyrus was contacted by Uso and an old squadmate of his during his NSMC days, [Raphael Castiel](#). They offered Ragnarok a job, to help take control of [Planet Osman](#) and to protect it while the new regime took over. Cyrus took it and Ragnarok has been based out of Osman to this day.

After helping take over the world and putting down a rebellion, Ragnarok began recruiting from the locals of Osman as well as setting up a satellite recruitment office on New Belfast. With the resources coming in from the world, Ragnarok has been able to expand much larger than the hand full of soldiers it started with.
