## History

Founded in [YE 42](#) by Sigurlaugur Fenrisson, a wealthy investor with great interest to invest into the [New Dusk Conclave](#) economy. Sigurlaugur had to conduct various business negotiations with the merchant cadre and laborer cadre of the [New Dusk Conclave](#) to be able to start operations on [Sirris VI](#). Reindustries is seen as an independent corporation, as Sigurlaugur wanted to keep his freedom to do business with other businesses without a government looking over his shoulders. In [YE 43](#), Reindustries put an economical investment into the NDC market with other corporations to help with the economic backlash of the [Kuvexian War](#).

## OOC Notes

[Rawolfe](#) created this article on 2021/02/04 03:36.

Redustries is an NPC Corporation to help create a foundation layer to the economical system of SARP and is part of the Economical Restoration Project made by [Rawolfe](#). The idea is that these corporations are not bought up or taken over but play an essential role in the background for the faction and they can be used to create new products into the faction with the approval of the respective FM. This will put a halt to the idea that one corporation creates all products.
