History

The history of Motoyoshi Hanei Kaisha was rather short but important.

- The company was founded in [YE 34](#) by [Ketsurui-Motoyoshi Katsuko](#) during her early attempts to restore the [Motoyoshi Clan](#). The ambitious news story was covered in this forum [post](#).
- It was a subsidiary of the [Tamahagane Corporation](#) and this is the [Request for Subsidiary Status](#).
- They relocated their headquarters to [Jiyuu System](#) in [YE 41](#) just before they were merged into the [Yugumo Corporation](#). (See forum post [here](#).)
- In [YE 41](#), the company was absorbed into [Yugumo Corporation](#), along with all of its employees and assets.

Acquisitions

The following companies were acquired and merged into MHK:

- [Motoyoshi Fleet Yards](#) - in [YE 41](#).
- [Peacekeeper Heavy Industries](#)- in [YE 41](#).

Jiyou no Hanei

In [YE 34](#), the impacts of the [Second Mishhuvurthyar War](#) on the [Yamatai Star Empire](#) were widespread. War had placed stresses on [Food](#) and [Water](#) supplies throughout the Empire. Precious farmland was decimated during the [Battle of Yamatai](#) and recovery efforts although progressing with resolve, did not provide a concrete preservation program that would prevent the shortages from occurring again. The project leader was [JiNobuo Saori](#). The project was repositioned under [Juugoya Cooperative](#) in [YE 41](#).

In an effort to assist with recovery efforts and to protect the future of the Empire's food and water supplies [Motoyoshi Hanei Kaisha](#) initiated a project called Jiyou no Hanei (*Nourishment of Prosperity*).

Project Goals

- To produce products that provide improvement to the Empire's food and water supply infrastructure.
- To produce products that provide new emergency food and water supplies that are protected and easily tapped when supply lines are compromised.
- To produce products that assist the [Star Army of Yamatai](#) in providing soldiers with reliable food and water supplies while deployed.
- Increase localized self-efficiency in regions where food and water are scarce.

Facilities Operated

These facilities were operated by MHK:

- [Amatsu-Motoyoshi "Port Hachidori"](#) - Transferred to [Yugumo Corporation](#).
- Shared Resources with [Tamahagane Corporation](#).
- [Kodoku-Class Mining and Processing Facility](#) - Transferred to [Yugumo Corporation](#) .
