YE 45 Yugumo Corporation Designs Wanted List

This is a list for the Yugumo-Motoyoshi Design Collective (OOC) of designs wanted for YE 45. As the year goes on more designs will be added.

List of Wanted Designs and Projects

This is a list of wanted designs for the Yugumo Corporation.

- A submission for the Star Army Wanted - Firefighting Vehicle.
- New Yugumo Standard Interiors for Ships and Bases. (High Priority) - Also some of the ones that were made on the fly are stubs.
- Standardized Ship Systems
- A Yugumo Corporation Starbase/Shipyard. - A civilian base - Smaller than the Minato.
- New Art (Existing Model was lost) of the Asuga-Class Tug with an update made so that there is a Star Army version and a Yugumo Civilian Version.
- Update of all ships to the Hoshi III engines, the Subsurface and Aerospace Operations, etc, KAIMON (I see some still mention the Miko).
- New Ventures (Restaurants, Shops, etc)
- Hoverboard line of accessories to complement Charaa's hoverboard designs. Maybe expand the current product range.
- Development of Scientific Gear and Colonization Equipment at Port Jiyuu during transit for the Colonization Mission.

Important

- Improvements to existing technology and products are a higher priority than new technology this year.

Other Wanted Projects

Other wanted projects.

- Finish distribution of Yomawari-Class NavComm Buoy into all starsystems in the YSE.
- Update the Yugumo Press And Events Desk following the same format.
- Updates to Yugumo Keisatsu - Motoyoshi Samurai, and updated gear. (Yugumo Gear, decreasing outside product usage)
- An update of Yugumo Corporation Standard Issue.
