Notable Events

- First Contact with CSEIA allows for new technologies and educational opportunities.
- Exploration begins with what would become the Northern Sector / Northern Colonies.
- First Contact between the HMS Fearless and Relay Moon occurs and thus allows contact between the Abwehran people and the Freespacers.
- Himmel Der Bergleute, Meltra, Schongebiet are colonized.
- An infected Abwehran Free Trader finds Khorsovarolor and infects the native inhabitants. Due to a peculiar reaction between the Abwehran virus and the planet's ecosystem, the infection mutates into a pandemic. This leads to the Khorsovarolor Incident and inevitably to the Abwehran Occupation of Khorsovarolor.
- The Abwehran Star Empire contacts the Yamatai Star Empire, the Democratic Imperium of Nepleslia, and the United Outer Colonies to gain humanitarian aid for the Khorsovarolorans.
- The Abwehran Star Empire signs the Intergalactic Armistice Agreement of YE 30 (IAA).
