

HS-PM1-xa Wun Wapointe (Medical Kit)

The Wun Wapointe Medical kit is an emergency first aid/field surgery kit. It is available in two models. The PM1-1a has handles on either side of the case for carrying. There are three layers within the kit that keep the contents in place regardless of which handle is used.

The PM1-2a model purpose is to replenish the field kit. It comes in a vacuum sealed heavy plastic bag. Items not required are to be turned in to the supply point.
