Fofinor Ta'a (Leader Bath)

The Fofinor Ta'a, also known as the leader's bath is reserved for senior ship personnel on Poku Saeruo Degonjo vessels.

The Leader's bath is found on most starships, and stations created by the clan. The entrance to the room is a Anomu Wunyte (Security Door) from the quarters. Located next to the doorway is the Damira Jyaonpa (Environmental Controls). It features a self-flushing toilet, an enclosed shower with an on-demand hot water heater. Next to the showers are a pair of shelves used for storing clean towels and other amenities. There are two standard lamps on the ceiling. The floor is covered in tile, with underfloor heating for comfort. There are Tyo'te Wuny'ta (Fire Suppression) nozzles in the ceiling.
