

# Anoka Ruo'sa (Shield Room)

This is a room where all [Poku Saeruo Degonjo](#) Anokai Tin (starship shields) are controlled and monitored. The room is typically located next to the [Daho'ka Ruo'sa \(Battle Room\)](#) or the [Jyaonruo'sa \(Bridge\)](#). It is always manned by at least one person as long as the ship is away from [Degonjo Saeruo \(Hidden Sun System\)](#).

The room is rectangular and accessed through a [Anomu Wunyte \(Security Door\)](#). It has two [Makoa Kâbo'ka \(Work Console\)](#)s with [Buvoli Kâbo'ka \(Work Chair\)](#)s. Hull braces composed of [Mâqirây \(Bound Metal\)](#) protrude from the side [Anoi \(Walls\)](#) and a series of shelves are installed between them. The shelves are used to store emergency equipment for making quick repairs on the shield systems. There are [Tyote Wuny'ta \(Fire Suppression\)](#) ports and standard [Ibâ'te \(Lighting\)](#) in the ceiling.
