Systems

Star systems

- [Degonjo Saeruo \(Hidden Sun System\)](#) - This system lies within the sprawling [Siamia Rya \(Soul of the Divine\)](#). The [Sotâka Ruomâqi \(World Station\)](#) and the [Poku Movi Vamâqi \(Clan Void Berth\)](#) are located here.

It is notable that Clan settlements follow a [Standard Colony Layout](#).

History

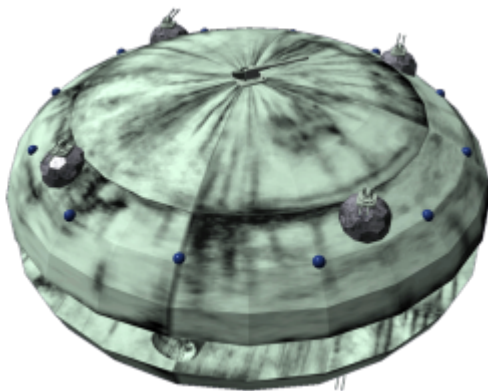

In the [Treaty of YE 35](#) with the [Yamatai Star Empire](#), the clan formalized its claim this region of space and all the stellar objects within. The Clan commenced a colonization effort they called [Otâgo'iâmai \(New Worlds\)](#). At the time, the star systems to the west of [Degonjo Saeruo \(Hidden Sun System\)](#) were held by the [NMX](#) during the [Second Mishhuvurthyar War](#). The Clan's first step was to remove any trace of the [NMX](#) from those planets.
