

Marranr

Marranr is the thirteenth rank in the [Astral Vanguard](#), and the second field officer rank. Marranr is a rank traditionally carried by the commanders of frigates and other vessels, as well as the leaders of large frame wings. Particularly competent and respected junior officers may be given this rank and command of vessels above their grade Marranr, although the scarcity of military vessels makes this practice uncommon. Characters receive an allowance of 3000 KD per week.

The previous rank is [Vayranr](#) and next rank is [Lanranr](#). For a full listing of the ranks, see [Astral Vanguard Ranks](#).
