

NDC Ground Forces "Duskerian Legion"

The Duskerian Legion is the main ground force of the [New Dusk Conclave](#) military. It is comprised of infantry¹⁾, armored units, light air support units, and support units. All of these groups that make up the Legion work in tandem whether for operations in the field or defensive operations. Security forces for base security and public protection are also another part of the main force. Soldiers carrying out this duty use light and non-lethal loadouts but carry lethal options in case of it absolutely being needed.

All units enlisted and serving in the main force are ranked by the military category of the [NDC's ranking system](#) for military personnel. [Infantry](#) troops are assigned a loadout based on their role, and other troops are issued either a standard [pistol](#) or, occasionally, [carbine](#) dependant upon role. All personnel carry a [knife](#) and [Ordinance](#) is issued as needed to infantry troops.
